*It is so exciting to be part of this extraordinary once-in-a-generation opportunity to update Music Hall while reclaiming and enhancing its historic character. SPMH is particularly proud to assist with the restoration and renovation of Corbett Tower, one of the most elegant salons in the country. SPMH also is pleased to be providing curatorial services for the marble statues, painted portraits, art-carved wood organ panels, plaques, books, and other historic artifacts in the building.*

*Please join us in continuing to preserve our beloved Music Hall. Thank you for your support!*
