

Docentitos Tours

During the run of our summer show, we invite you to book a tour with one or more of our illustrious *Docentitos* graduates!

Docentitos are children between the ages of nine and twelve who have undergone an exciting and extensive two-week training camp to become expertly qualified exhibition tour guides. By working with the gallery staff, artists, and curators of the Weston Art Gallery's summer exhibitions, *Docentitos* are able to offer insightful and refreshing information about the works on display. *Docentitos* tours are available by appointment throughout the summer.

Artist & Curator Tours

The Alice F. and Harris K. Weston Art Gallery offers exciting opportunities to tour fine art exhibitions, with exhibiting artists and curators!

Gallery talks and tours are pre-scheduled and programmed in tandem with the Weston's exhibition calendar, providing the public with the ability to candidly interact with locally, regionally, and nationally recognized artists and curators.

The Weston's *Families Create!* workshops also offer unparalleled access to the Weston's exhibiting artists.

These workshops are designed to introduce art techniques and concepts to children ages five to twelve and their parents. Participants meet the exhibiting artists, and explore the world of art through gallery talks, tours, and hands-on activities with take-home art projects.
